Frequently Asked Questions

Why should I use a broker?

If you're thinking of buying an insurance policy that you are not familiar with, as experts in the whole market, we can provide independent advice and tailor made quotations personal to your needs after a comprehensive search of the market, often at prices lower than available directly from the insurer.

Will this service cost me anything?

No, our service is completely free.

What if I already have cover in place?

We will ask questions about your personal circumstances as we may be able to transfer your medical history, save you money and ensure continuation of cover.

What will happen when my policy renews?

As a broker we offer a free annual review service whereby we review your situation and can look into alternative options with an un-biased view ensuring you are always on the best terms available.

Will using a broker affect my relationship with my insurer?

The service we offer will not affect your direct relationship or the premium that you pay.

What if I have any questions about my policy once it has been set up?

We have a dedicated Client Liaison team to assist you throughout the year. Please email clientliaison@righttohealth.co.uk or call 01322 477600 or for further assistance.
